FutureFocus Comment:

As this data reflects the position as of 1 November 2023, we have added an FF note which reflects any update on the young person since that date, and/or any information we felt may be relevant for you. Where a young person's destination remains NEET or not known, we will continue to offer support and attempt to find out what they are doing. If you have any information regarding these young people, please contact us on 388988. We will provide a further update on your young people in Spring 2024.
